HEAVY DUTY APPLICATION GUIDE

PROFESSIONAL WIPER BLADES

O U T S M A R T T H E E L E M E N T S ®

SERVICE TIPS:

KEEP WINDSHIELD CLEAN

Your Windshield should be frequently cleaned using a non-abrasive cleanser and warm water. Hardened particles and bug residue can generally be removed using a nylon mesh sponge.

TIP: New wiper blades and refills work best when installed on a clean Windshield. Clean Windshield thoroughly before changing wipers and wipe off squeegee (rubber part of blade).

ROUTINELY CHECK BLADE CONNECTION

Improper installation can be a common cause of streaking or chattering.

TIP: Remember to remove the clear plastic cover from Rain-X Latitude® prior to use.

CHANGE YOUR BLADES ON GROUNDHOG DAY

Exposure to the elements can wear down and/or harden rubber on your wiper blades.

TIP: For maximum safety and clear vision when driving, blades should be changed once a year on Groundhog Day.

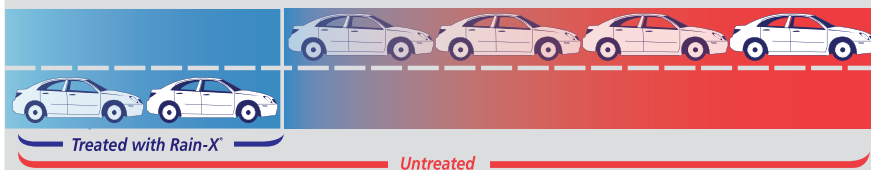

GLASS TREATMENT

Rain-X® Original Glass Treatment seals the microscopic pores of the glass with a super slick, non-stick invisible barrier that repels rain, sleet and snow on contact. Raindrops bead up and are blown away by the aerodynamic wind flow from driving, improving visibility and driving comfort. The Rain-X® treatment also makes for easy removal of frost, ice, salt, mud, and bugs.

Regular Maintenance and Increased Driving Visibility

BETTER VISIBILITY MEANS BETTER RESPONSE TIME.

In tests conducted by a major university, response time improved up to a full second or more. At highway speeds, that's almost four car lengths of extra stopping distance.*

**EXCLUDES SIZES 16" & 18"

90%

of ALL driving decisions are based on vision.
Make sure Rain -X® Wiper Blades are a part
of your routine maintenance program.

Rain-X® Longitude™ Professional Series

EXTENDED DURABILITY FOR LONG-LASTING PERFORMANCE!

- Engineered with UV & Ozone Damage-Resistant T24.7™ Rubber Squeegee for All-Weather Performance
- Interchangeable Adapter System Accommodates Growing Trends in OEM Designs

Rain-X® Latitude®

ULTIMATE VISIBILITY IN RAIN, SLEET AND SNOW!

- Contours to Curvature of Windshield to Provide Even Wiping Pressure
- Synthetic Rubber Squeegee Withstands Extreme Weather Conditions

Rain-X® Latitude® Water Repellency

MORE THAN JUST A WIPER BLADE™!

- Now Applies Rain-X® Water Repelling Technology to Your Windshield
- Pre-Installed Universal Adapter
- Synthetic Blend Rubber Squeegee Delivers Ultimate All-Weather Performance

Rain-X® Weatherbeater® Professional

CONSUMER RATED BEST IN WET WEATHER DRIVING VISIBILITY!

- High Quality Traditional Blade
- All-Steel Frame For Sturdiness & Durability
- Smooth, Clean, Streak-Free Wipe that's Quick & Easy to Install
